

ATTENTION - REMINDER!

Important notice regarding the upcoming
ERP and webshop conversion

ONE STEP TO THE FUTURE

Since 1986, we have been your reliable partner for personal protective equipment and workwear. We place the highest value on quality and modern, flexible processes.

In order to work even more effectively and compatibly for the benefit of our customers and partners, we are carrying out an ERP conversion on 2 May.

In combination with a new webshop, which will also be online shortly afterwards, as well as the already completed PIM system, we are thus optimising the work processes in our company.

We are convinced that the expansion, together with our modernised logistics (including the introduction of AutoStore and a new warehouse management system), marks the next important step into the future of our company.

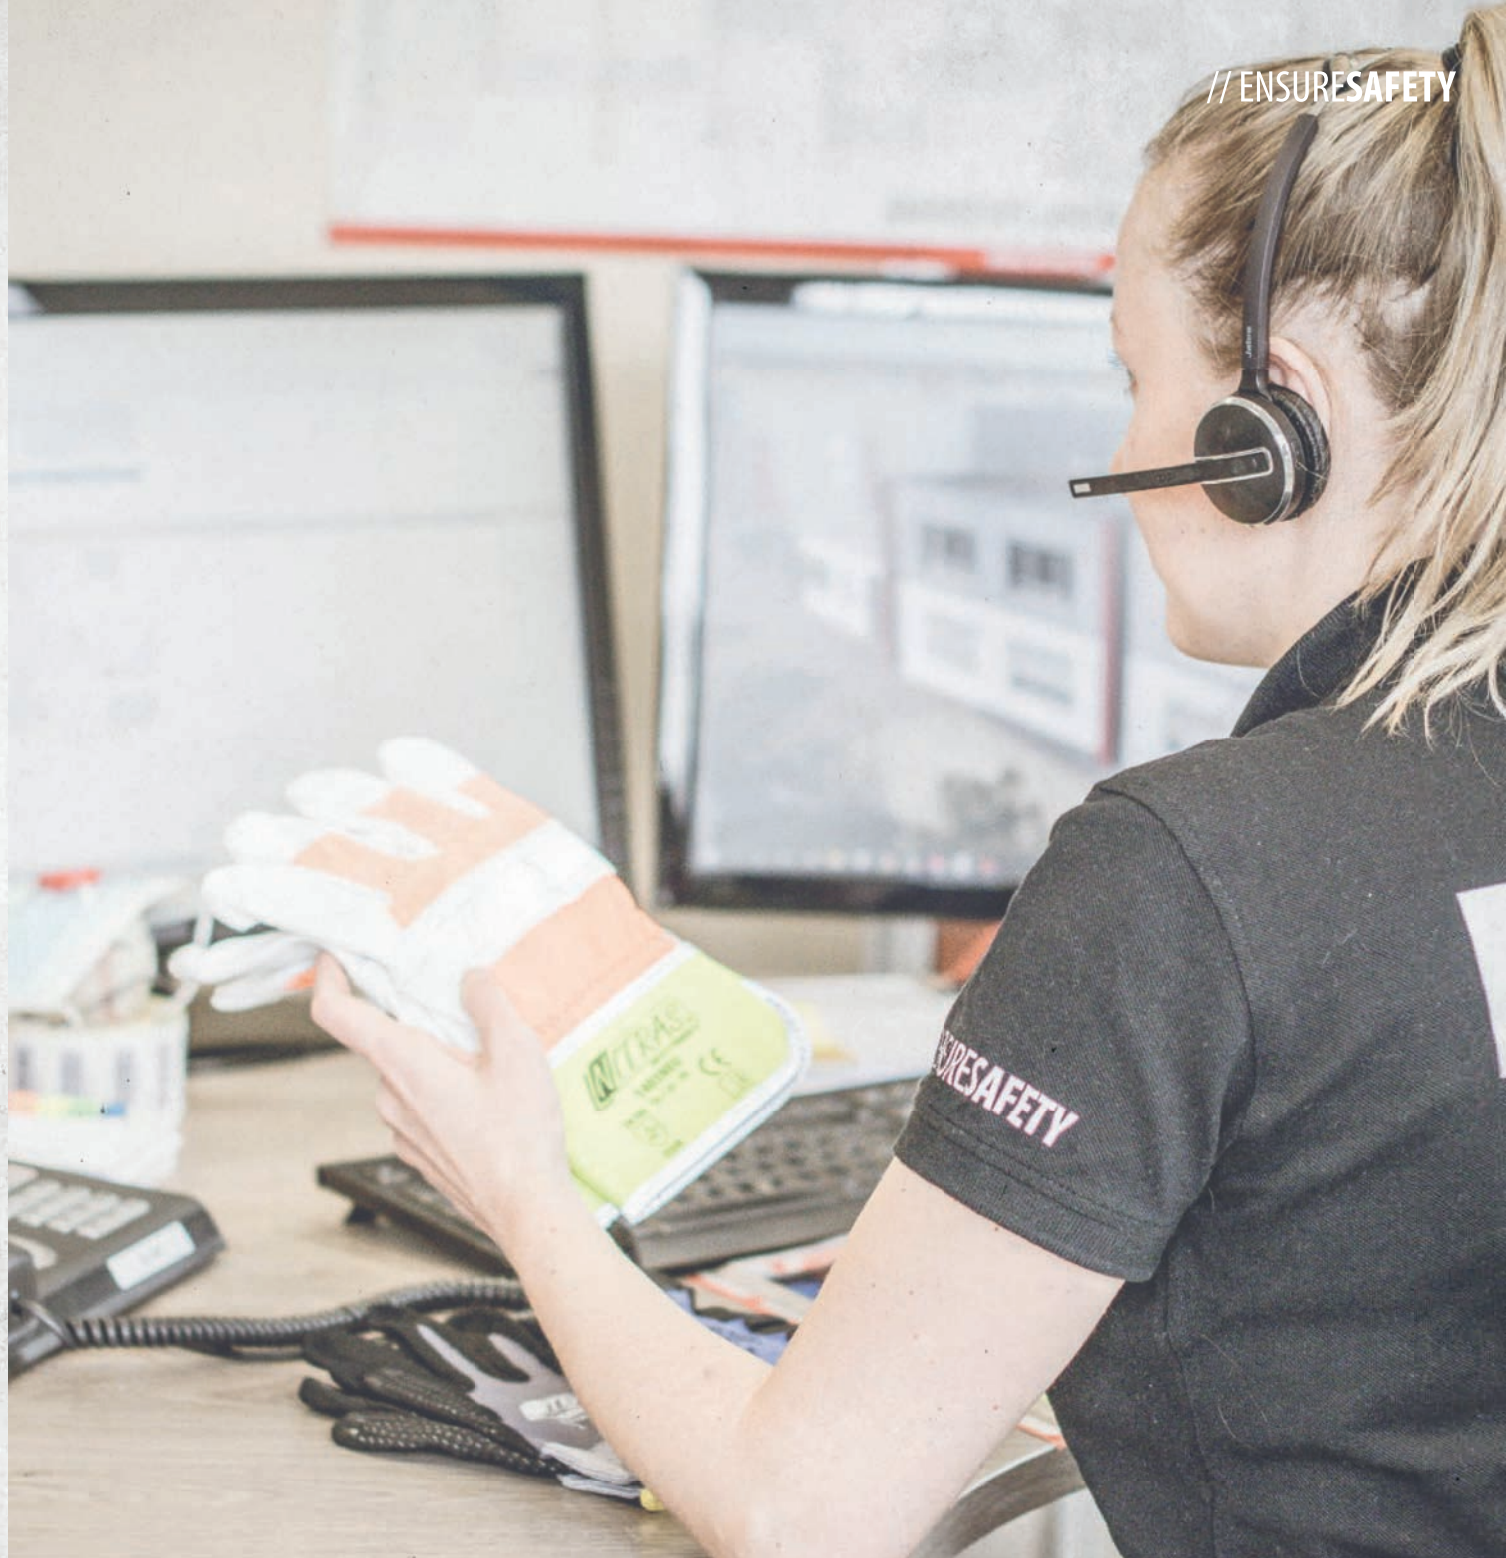

ERP AND WEBSHOP UPDATE

Please note that despite intensive preparations, problems may occur during the changeover. We therefore recommend that you stock up until the end of this week.

Our webshop is expected to be unavailable or only partially accessible from week 17 up to and including week 19. We are working on restoring the service as soon as possible.

Here are the important key data:

Last order reception:	21.04.23
Last day of shipping:	25.04.23
System changeover from:	WEEK 17 TO WEEK 19
First planned day of shipment:	02.05.23

NEW E-MAIL ADDRESSES

In the course of the ERP conversion, our e-mail addresses will be changed. This will enable us to guarantee optimal system processes and standardise our procedures.

The e-mail addresses of our staff will also be adapted to the new system. Example change:

OLD:
mm@nitrass.de

NEW:
m.mustermann@nitrass.com

In future, the first letter of the first name and the full surname will be used in the email. In addition, the ending of all e-mails is .com.

You can find the new e-mail addresses for the following topics here:

General:	info@nitrass-safety.com
Request for quotation:	offer@nitrass-safety.com
Questions about orders:	sales@nitrass-safety.com
Invoice topics:	invoice@nitrass-safety.com
Accounting:	finance@nitrass-safety.com

WE ARE ALSO THERE FOR YOU DURING THE CHANGEOVER

We are working on restoring the service as soon as possible. We apologise for the inconvenience and thank you for your understanding.

Of course, we are still available for you personally and by mail and look forward to your contact!
